The principal features of these Services are displayed on the Site. The Client is required to read them before placing any order. The choice and purchase of a Service are the sole responsibility of the Client. The conditions apply with the exclusion of any other conditions, including those applicable for other marketing channels for these Services.

They may be supplemented by special conditions, set out on the Site, before any transaction with the Client. These General Terms and Conditions of Sale are accessible at any time on the Site and, where applicable, take precedence over any other version or any other contradictory document.

Unless proved otherwise, the data recorded in the Provider's computer systems are evidence of all transactions entered into with the Client.

The Client declares to have read these General Terms and Conditions of Sale and to have accepted them by checking the box provided for this purpose before carrying out the online booking process as set out below.

The confirmation of the reservation of Services by the Client implies acceptance without restriction or reservation of these General Terms and Conditions of Sale. The Client acknowledges and declares having the required capacity to contract and acquire the Services defined herein and offered on the Site.

The present General Terms and Conditions of Sale may be modified, with the applicable version for the Client's purchase is the version in place on the Site on the date of making the request.

These General Terms and Conditions of Sale are valid from 22 November 2023.

Changes to these General Terms and Conditions of Sale are applicable to users of the Site from the time they are published online and cannot be applied to transactions completed before this time.

ARTICLE 2. HOLIDAY BOOKING AND PAYMENT

The Client selects the Services from the Site that he/she wishes to book.

For full information about the Services available, the Client can refer to the catalogue of Services on the Site or to a printed brochure, or can have these Services explained by the Provider's booking agents over the phone +33(0)428013971 or by electronic means [contact@salines-giens.com].

He/She decides on the Services he/she wishes to book at the time of reservation.

After reading the content of the Services, the Client acknowledges the destination, the price and the reservation terms and conditions of all the characteristics of the stays and accommodation. They accordingly acknowledge having requested and obtained all the information necessary to make a reservation with full knowledge of the facts and under his/her own responsibility.

Reservations made on the Site are completed when the Client accepts these General Terms and Conditions of Sale by checking the box provided for this purpose and validates his/her booking. This validation implies the acceptance of all of the General Terms and Conditions of Sale and represents a proof of sales contract.

A booking will only be considered definitive after:

- the Provider sends its acceptance of the reservation, via email, and
- payment has been sent by the Client according to the conditions applicable to his/her offer.

The Client undertakes not to take up residence there and not to exercise any professional activity at SALINES.

ARTICLE 3. RATES AND PAYMENT METHODS

a. Rates

The Services offered by the Provider are provided at the rate in effect on the Site. The Service rate is shown in euros (€), VAT and current other taxes included. The amount payable for visitors' tax is not included in the price. Visitors' tax is payable for persons of 18 years and over (rate in effect at the time of your stay per night and per person aged 18 and over in Hyères).

Our rates are subject to change in the event of an increase in the rates of taxes to which our stays are subject. Rates take account of any reductions or promotions that are granted by the Provider under the conditions set out on the Site. These rates are firm and final on the date of booking.

The Provider states that the rates are dynamic and change as the season progresses, allowing the Client to benefit from the most advantageous price on the day of their reservation.

The posted price, preceded by the word "from", is the most advantageous price available during the period the establishment is open.

This tariff will be increased by a combination of two criteria:

- Depending on the period booked and the occupancy level of the establishment, a dynamic multiplier coefficient specific to each period will be applied;
- Advance booking offers a bonus, which cannot bring the rate below the reference rate (posted tariff).

Taking into account the above and the active role of the Client in the determination of the tariff applicable to their stay which is a function of the anticipated reservation delay, the Company SALINES cannot in any case be held responsible for a difference in cost between two stays reserved for the same period.

b. Conditions and payment methods

Payments can only be made by secure channel, following the methods listed here:

- By credit card: Visa, Carte Bleue, MasterCard
- By bank cheque. Cheques not sent by registered mail and not received by SALINES are the responsibility of the client.
- By bank transfer,
- By holiday vouchers (no change may be given if the total price of the booking is less than the amount held on the holiday vouchers). Cheques not sent by registered mail and not received by SALINES are the responsibility of the client.

Payment by bank card is non-reversible, except where the card has been used fraudulently. In this situation, the Client may request a cancellation of the payment and refund of the corresponding amount.

To pay by bank cheque, it must be issued by a bank based in mainland France or Monaco. Cheques are cashed on receipt.

Any delay in payment leads to the entitlement to a flat-rate fee of forty (40) euros. In addition, the Provider reserves the right where payment conditions detailed above have not been met, to cancel the provision of Services reserved by the Client.

Payments made by the Client will not be considered final until after actual receipt of the amount due to the Provider. Each payment must be accompanied by the file reference shown on your confirmation of stay from the Provider.

Payments are organised as follows:

- For the Liberty offer:

A deposit of 30% of the total price, inclusive of taxes, of the booking must be received by the Provider within a maximum period of 7 (seven) days after the time of booking validation by the

Provider when a reservation is made more than 15 days before the start of the stay. The balance must be received by the Provider at the latest 15 days before the beginning of the stay.

The Client is reminded that he/she has no right of cancellation as set out in article L. 221-8 of the French Consumer Code, and in accordance with Article L. 221-28 paragraph 12 of the French Consumer Code which excludes this right for contracts concerning the provision of accommodation services, which must be provided on a date or for a specified period.

a. Cancellation by the Provider

Where the cancellation is initiated by the Provider, except in situations of force majeure, the Service will be reimbursed by bank transfer, within 60 days of the cancellation date by the Provider. This cancellation shall not give rise to the payment of damages.

However, on the condition that the applicable legislation permits, the establishment reserves the right to reimburse the Client in another form, namely a voucher.

b. Cancellation by the Customer

Remember that any cancellation must be notified to the Provider by email or by registered mail with acknowledgement of receipt. Where an email is sent as notification, for it to be effective the Provider must acknowledge its receipt.

For the Client to make any cancellation, it is important to refer to the specific conditions that are applicable. They are given, prior to the completion of a booking when a particular offer is selected.

- For the Liberty offer

It is possible to cancel with no charge and no evidence more than fourteen (14) days before arrival.

Upon presentation of documentary evidence from your employer, an administrative or medical authority, the Provider will reimburse you all sums paid, without cancellation fees, if documentation is provided up to the day before the stay in the following cases: Serious (inability to travel by your own means), serious accident (inability to travel by your own means) or death of yourself, your spouse, civil partner, ascendants or descendants up to the second (2nd) degree, step-parents, parents in law, siblings, step-siblings, siblings-in-law, step-children, children-in-law, or a fellow traveller on your trip. Dismissal, contractual termination of yourself, your spouse or civil partner, as long as the process began after the reservation was made with the company.

- For the Smart Deal offer

- For the standard offer

This section concerns those that do not fall into a specific category of offer at the time of booking. If cancellation happens more than sixty (60) days before the start date of the stay, no cancellation fee is charged by the company.

If cancellation happens between sixty (60) and thirty (30) days before the start date of the stay, 30% (thirty percent) of the total amount of the tariff for the Service is kept by the company.

All sums paid are retained if the cancellation is made after the 30th (thirtieth) day before the start date of the stay.

Subject to documentary evidence issued by your employer, administrative or medical authority, the Provider will reimburse the amounts paid with no cancellation fee, if this is conveyed before the day before the start of the stay in the following cases:

Serious illness (inability to travel by your own means), serious accident (inability to travel by your own means), or your death or that of your spouse, civil partner, parents or children up to the second (2nd) degree, step-parents, parents in law, siblings, step-siblings, siblings-in-law, step-children, children-in-law, or a fellow traveller on your trip. 60 days from the date of the cancellation. However, on the condition that the applicable legislation permits, the company reserves the right to reimburse the Client in another form, namely a voucher.

ARTICLE 5. MODIFICATION OF RESERVATIONS

The Client may request the modification of his/her booking, dates and/or type of accommodation, by written request addressed to the Provider (letter or email) within the limits of availability and feasibility. Postponement to a following season is not acceptable.

Any request to extend the duration of a stay will be carried out depending on availability and with the tariffs in place at the time of the modification request.

Any request to shorten a stay is considered a partial cancellation and will be subject to cancellation terms. For application of this cancellation, the stay is considered an indivisible whole that cannot be divided or shared.

IMPORTANT: Any shortened, interrupted or abbreviated stay (late arrival, early departure) will not be refunded.

ARTICLE 6. YOUR STAY
